Special Reports/Recognition

5.1) Engineering/Public Works Quarterly Report: E. Belaj: City Engineer Eric Belaj apprised the Council of updates for both the Engineering and Public Works departments. Mr. Belaj stated that the online GIS map has been updated to show roads that have been repaved. He reported on the status of development reviews and provided an update on the paving activities occurring within the City. It was also noted that the Parks Department has been clearing land and drainage areas, the Electric Department has been installing new reclosers, and the Water Department has been assisting other departments as needed while responding to service calls.

5.2) Airport Quarterly Report: A. Feild: Airport Manager Adrienne Feild informed the Council that the platting of the airport is almost complete. Mrs. Feild also provided updates on projects currently underway at the airport. The TxDOT project is delayed, the box hangar project is scheduled for completion in April 2025, and the RAMP grant is progressing. Additionally, Mrs. Feild confirmed that the Highland Lakes Squadron is meeting its contractual requirements, and CareFlite has requested an extension for its site and development plan.

5.3) End of Year Financial Report: P. Langford: Finance Director Patricia Langford reported that the general fund for the 2023/24 fiscal year performed well. Property tax revenues came in as projected, while sales tax revenues exceeded expectations. Mrs. Langford noted that departments such as Fire & EMS, the Electric Department, and the Golf Course outperformed their revenue projections. Cash reserves are strong, with the City’s unrestricted funds totaling \$2,763,737.
