HAY FIELD MAINTENANCE SERVICES
RFQ 2024-001**

Monday, December 16, 2024

Field Maintenance Services Provider:

The City of Burnet is seeking Statements of Qualifications from qualified hay field maintenance and operation professionals or entities to provide services for operating and maintaining the City's treated effluent irrigation land and hay production. Attached is a copy of the City's RFQ, outlining the required components of the Statement of Qualifications and the submittal details. Applicants should have proven experience in hay field operations and irrigation, and the capability to provide all necessary manpower and equipment for such operations.

Please submit in electronic format to ebelaj@cityofburnet.com, or via hard copy and thumb drive to:

City Of Burnet
Attn: Maria Gonzales, City Secretary
1001 Buchanan Drive, Ste 4.
Burnet, Tx 78611.

Submittals must be submitted in sealed envelopes and marked "Hay Field Maintenance Statement of Qualification" along with the Firm or Person(s) Name.

The deadline for all questions and submittals is noted in the attached RFQ.

Sincerely,

Eric Belaj, City Engineer
