City Manager. The City Manager of the City of Burnet or a person authorized to act on behalf of the City Manager.

City Services. Solid Waste Services and Recycling Services for City Events and City Facilities.

City Staff. Personnel employed by the City of Burnet and authorized by the City Manager to act on behalf of the City in a limited capacity as provided for in this RFP.

Collect or Collection. The act of removing Solid Waste for transport to a Disposal Site, removing Recyclable Materials for transport to a Recycling Facility, and removing Bulky Waste for transport to a Disposal Site or Recycling Facility.

Corrugated Cardboard. Any packaging material formed by gluing one or more fluted sheets of paperboard (corrugated medium) to one or more flat sheets (facings) of linerboard.

Commercial Unit. An improved property located in the City, other than a Residential Unit.

Commercial Services. Solid Waste Services, Bulky Waste Services, and Recycling Services for Commercial Units.

Compactor. A compaction mechanism, whether stationary or mobile, designed to attach to a Roll-off.

Construction or Demolition Waste. In accordance with 30 Texas Administrative Code § 330.3, defined as "Waste resulting from construction or demolition projects; includes all materials that are directly or indirectly the by-products of construction work or that result from demolition of buildings and other structures, including, but not limited to, paper, cartons, gypsum board, wood, excelsior, rubber, and plastics."

Contract. Any written contractual agreement resulting from this RFP.

Contractor. The successful Proposer receiving award of any Contract resulting from this RFP.

Contractor's Representative. Contractor's employee designated in charge of Contractor's operations under the Contract and who is authorized to make decisions and act on Contractor's behalf as set forth in the Contract.

Curbside. The location within three (3) feet of the curb of the street abutting such property that provides primary access to the Residential Unit or Commercial Unit as designated by the City Staff unless such placement interferes with or endangers movement of vehicles and pedestrians.

Current Provider. The City's current provider of Solid Waste Services and Recycling Services.

Customer(s). An occupant of a Residential Unit or a Commercial Unit within the city limits of the City that has a City utility account that is billed for Solid Waste Services and/or Recycling Services on a monthly basis.

Dead Animals. Animals, or portions thereof, including any and all household animals that have expired from any cause.

Disposal. In accordance with 30 Texas Administrative Code § 330.3, defined as "The discharge, deposit, injection, dumping, spilling, leaking, or placing of any Solid Waste or Hazardous Waste (whether containerized or uncontainerized) into or on any land or water so that such Solid Waste or Hazardous Waste or any constituent thereof may enter the environment or be emitted into the air or discharged into any waters, including groundwater".

Disposal Site or Facility. All contiguous land, structures, other appurtenances, and improvements on the land that is licensed and permitted, as required by all governmental bodies having jurisdiction, for disposing of Solid Waste. A Disposal Site may be publicly or privately owned and may consist of several Disposal operational units.

Dumpster. A watertight receptacle, with a capacity of approximately two (2) cubic yards up to approximately ten (10) cubic yards, equipped with tight-fitting lid and designed to be mechanically dumped into a loader-packer type truck.

Dwelling Unit. Any group of rooms located within a dwelling and forming a single habitable unit with facilities which are used, or are intended to be used, for living, sleeping, cooking and eating.

Excluded Waste. Hazardous Waste, Special Waste, and Construction or Demolition Waste.

Garbage. Any and all Dead Animals of less than ten (10) pounds in weight; every accumulation of waste (animal, vegetable and/or other matter) that results from the preparation, processing, consumption, dealing in, handling, packing, canning, storage, transportation, decay or decomposition of meats, fish, fowl, birds, fruits, grains or other animal or vegetable matter (including, but not limited to, used tin cans and other food containers, and all putrescible or easily decomposable waste animal or vegetable matter which is likely to attract flies or rodents), except (in all cases) any matter included in the definition of Bulky Waste, Construction Debris, Dead Animals over ten pounds in weight, Hazardous Waste, Rubbish and Stable Matter.

Generator. Any person or entity that produces Solid Waste and/or Recyclable Materials.

Hazardous Waste. In accordance with 30 Texas Administrative Code § 330.3, defined as "Any Solid Waste identified or listed as a Hazardous Waste by the administrator of the United States Environmental Protection Agency under the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, 42 United States Code, §§6901 *et seq.*, as amended."

Non-Hazardous Waste. The Texas Commission on Environmental Quality defines Non-Hazardous Waste as waste that does not meet the EPA's definition of hazardous waste. Waste is considered hazardous if it is found on the EPA's list of hazardous waste or it exhibits one or more hazardous characteristics.

Processing or Processed. The Recycling of Program Recyclable Material into Recovered Materials.

Program Recyclable Materials. Means the following: Loose, bagged, or tied with string or twine, Kraft paper; loose, bagged, or tied with string or twine corrugated containers that have liners of Kraft, jute, or test liner including dry food boxes, beer and soda carriers, shoe boxes; Loose, bagged, or tied with string or twine old newspaper including

slick paper inserts; Other recyclable paper including paperboard, chipboard, junk mail, junk mail inserts, Residential mixed paper, bagged shredded paper, high-grade paper, white and colored ledger, copier paper, office paper, laser printer paper, computer paper including continuous-formed perforated white bond or green bar paper, book paper, cotton fiber content paper, duplicator paper, form bond, manifold business forms, mimeo paper, note pad paper (no backing), loose leaf fillers, stationery, writing paper, paper envelopes without plastic windows, carbonless (NCR) paper, tabulating cards, facsimile paper, manila folders, magazines, paperback books, small catalogs, telephone books and Yellow Pages; Any #1 through #7 rigid plastic bottle, container, jug, or jar; Beverage containers, steel "tin" food cans, bi-metal containers, aerosol cans, lids composed primarily of whole iron or steel and other Recyclable Material of a similar nature; and/or any glass bottle, container, bottle, jug, or jar.

Proposer. A company authorized to do business in the State of Texas submitting a proposal for Solid Waste Services and Recycling Services in response to this RFP.

Recovered Materials. Metal, paper, glass, plastic, textile, or rubber materials that have known Recycling potential, can be feasibly Recycled, and have been diverted and source separated or have been removed from the Solid Waste stream for sale, use, or reuse as raw materials, whether or not the materials require subsequent Processing or separation from each other, but does not include materials destined for any use that constitutes Disposal. Recovered Materials as described above are not Solid Waste.

Recyclable Materials. In accordance with 30 Texas Administrative Code § 330.3, defined as "A material that has been recovered or diverted from the Non-Hazardous Waste stream for purposes of reuse, Recycling, or reclamation, a substantial portion of which is consistently used in the manufacture of products that may otherwise be produced using raw or virgin materials. Recyclable material is not Solid Waste. However, Recyclable Material may become Solid Waste at such time, if any, as it is abandoned or disposed of rather than Recycled, whereupon it will be Solid Waste with respect only to the party actually abandoning or disposing of the material."

Recyclable Paper: Kraft paper; corrugated containers that have liners of Kraft, jute, or test liner including dry food boxes, beer and soda carriers, shoe boxes; old newspaper including slick paper inserts; magazines; catalog; telephone books and Yellow Pages; paperback books; hard back books with covers removed; chipboard; and other mixed paper including but not limited to junk mail, junk mail inserts, Residential mixed paper, bagged shredded paper, high-grade paper, white and colored ledger, copier paper, office paper, laser printer paper, computer paper including continuous-formed perforated white bond or green bar paper, book paper, cotton fiber content paper, duplicator paper, form bond, manifold business forms, mimeo paper, note pad paper (no backing), loose leaf fillers, stationery, writing paper, paper envelopes without plastic windows, carbonless (NCR) paper, tabulating cards, facsimile paper, manila folders, and paperback books.

Recycling or Recycle. In accordance with 30 Texas Administrative Code § 330.3, defined as "A process by which materials that have served their intended use or are scrapped, discarded, used, surplus, or obsolete are collected, separated, or processed and returned to use in the form of raw materials in the production of new products. Except for mixed municipal solid waste composting, that is, composting of the typical mixed solid waste stream generated by residential, commercial, and/or institutional sources, recycling includes the composting process if the compost material is put to beneficial use."

Recycling Cart. A Cart exclusively utilized for Recycling Services.

Recycling Facility. All contiguous land, structures, other appurtenances, and improvements on the land that is licensed and permitted, as required by all governmental bodies having jurisdiction, for Recycling of Recyclable Materials. A Recycling Facility may be publicly or privately owned and may consist of several Disposal operational units.

Recycling Services. Collection of Single Stream Recyclable Materials and Disposal of Recyclable Materials at a Recycling Facility for Processing.

Refuse. A non-putrescible Solid Waste (excluding ashes), consisting of both combustible and noncombustible waste materials, combustible Rubbish, including paper, rags, cardboard, cartons, wood, excelsior, furniture, rubber, plastics, yard trimmings, leaves, and similar materials; noncombustible Rubbish, including glass, crockery, tin cans, aluminum cans, metal furniture and like materials which will not burn at ordinary incinerator temperatures (1600°F to 1800°F), but not including Construction debris.

Resident. A person whom resides at a Residential Unit.

Residential Services. Solid Waste Services, Bulky Waste Services, and Recycling Services for Residential Units.

Residential Unit(s). An improved property which is used, or capable of being used, for domestic use by a single family, including a single-family dwelling, duplex, fourplex, townhouse, apartment or condominium unit. A Residential Unit shall be deemed occupied when either water or electric services are being supplied thereto. A townhouse, fourplex, duplex, or condominium dwelling, whether of single or multi-level construction, consisting of four or less contiguous or separate single family Dwelling Units, shall be treated as a Residential Unit, except that each Dwelling Unit within any such Residential Unit shall be billed separately as a Residential Unit. Those Residential Units designated by the City Staff to be served by a Dumpster or Roll-off Compactor shall not be included in this definition and shall be a Commercial Unit.

Roll-off. A watertight receptacle, with a capacity of approximately ten (10) cubic yards up to approximately forty (40) cubic yards, intended to be loaded onto a motor vehicle.

Roll-off Compactor. A Roll-off with a Compactor.

Rubbish. In accordance with 30 Texas Administrative Code § 330.3, defined as “Non-putrescible solid waste (excluding ashes), consisting of both combustible and noncombustible waste materials. Combustible rubbish includes paper, rags, cartons, wood, excelsior, furniture, rubber, plastics, brush, or similar materials; noncombustible rubbish includes glass, crockery, tin cans, aluminum cans, and similar materials that will not burn at ordinary incinerator temperatures (1,600 degrees Fahrenheit to 1,800 degrees Fahrenheit).”

Single Stream. System in which all Program Recyclable Materials are commingled and that do not require the Generator to separate prior to Collection.

Solid Waste. In accordance with 30 Texas Administrative Code § 330.3, defined as “Garbage, rubbish, refuse, sludge from a wastewater treatment plant, water supply treatment plant, or air pollution control facility, and other discarded material, including solid, liquid, semi-solid, or contained gaseous material resulting from industrial, municipal, commercial, mining, and agricultural operations and from community and institutional activities. The term does not include:

- a. solid or dissolved material in domestic sewage, or solid or dissolved material in irrigation return flows, or industrial discharges subject to regulation by permit issued under Texas Water Code, Chapter 26; or
- b. soil, dirt, rock, sand, and other natural or man-made inert solid materials used to fill land if the object of the fill is to make the land suitable for the construction of surface improvements; or
- c. waste materials that result from activities associated with the exploration, development, or production of oil or gas or geothermal resources and other substance or material regulated by the Railroad

Commission of Texas under Natural Resources Code, §91.101, unless the waste, substance, or material results from activities associated with gasoline plants, natural gas liquids processing plants, pressure maintenance plants, or re-pressurizing plants and is Hazardous Waste as defined by the administrator of the United States Environmental Protection Agency under the federal Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, as amended (42 United States Code, §§6901 *et seq.*).

Solid Waste Cart. A Cart utilized exclusively for Solid Waste Services.

Solid Waste Services. Collection of Solid Waste and Disposal of Solid Waste at a Disposal Site.

Special Collection. A service provided by the Contractor under a franchise with the City for a fee not specifically provided for in this RFP or the resulting Contract.

Special Waste. In accordance with 30 Texas Administrative Code § 330.3, defined as “Any Solid Waste or combination of Solid Wastes that because of its quantity, concentration, physical or chemical characteristics, or biological properties requires special handling and Disposal to protect the human health or the environment. If improperly handled, transported, stored, processed, or disposed of or otherwise managed, it may pose a present or potential danger to the human health or the environment. Special wastes are:

- a. Hazardous Waste from conditionally exempt small-quantity generators that may be exempt from full controls under Chapter 335, Subchapter N of this title (relating to household materials which could be classified as Hazardous Wastes);

ARTICLE VI – PROPOSAL EVALUATION/SELECTION PROCESS

6.1 Overview of Proposal Evaluation/Selection Process

The City has attempted to provide Proposers with a comprehensive statement of requirements through this RFP. Proposers are requested to make written proposals which present the Proposer's qualifications and understanding of the Work to be performed. Proposers shall address each evaluation criteria and be specific in presenting their qualifications. Proposals should be as thorough and detailed as possible, so that the City may properly evaluate the Proposer's capabilities to provide the required Work. Failure to include the required contents of the proposal as outlined in this section may result in rejection of the proposal.

Each Proposer shall be reviewed, evaluated, and scored as part of a comprehensive proposal evaluation, in accordance with evaluation criteria defined herein. The Proposer's proposal will be a substantial part of the decision making process to select a Contractor. Each proposal will be reviewed independently, based solely on the merits of the proposal. The proposals will then be scored and, if necessary, a short list of Proposers will be selected for additional evaluation, Proposer presentations and reference checks. Demonstrations and possible site visits may be conducted for the Proposers so selected. The City shall re-score the remaining Proposers based on the proposal and additional information, in accordance with evaluation criteria defined herein.

The City reserves the right to award based on the responses received or to negotiate with any or all of the Proposers so selected. Price shall be considered, but will not be the sole determining factor. Selection shall be made of one Proposer deemed to be fully qualified and best suited among those submitting proposals. The City shall select the Proposer which, in its opinion, has made the proposal that is most beneficial to the City, and shall award the Contract to that Proposer. The award document will be a Contract incorporating, by reference, all the requirements, terms and conditions of the solicitations and the Proposer's proposal, as negotiated.

6.2 Evaluation Criteria

The City has established specific, weighted criteria for selection. This section presents the evaluation criteria and their description, and the relative weight assigned to each (100 points maximum).

- a. **Pricing Schedule Evaluation – 60 points**
The City will evaluate price based on the pricing forms completed by the Proposer.
- b. **Experience and Ability to Perform – 25 points**
The City desires to partner with an organization that is committed to providing high quality Solid Waste Services and Recycling Services, including, but not limited to, the following evaluation elements:
 - 1) Experience and Performance History
 - 2) Method of Approach
 - 3) Key Personnel

- 4) Exceptions to the RFP
- 5) References
- c. **Financial Capacity – 10 points**
The City desires to partner with an organization with financial capacity.
- d. **Quality of Submitted Proposal – 5 points**
The City will evaluate the proposals based on the completeness, formatting, content, and presentation of the information as required herein.

ARTICLE VII – GENERAL CONDITIONS

7.1 General Terms

The following general terms shall apply to this RFP:

- a. The City, in its sole discretion, expressly reserves the right to request and/or require any additional information from the Proposer(s) that it deems relevant, with respect to this RFP.
- b. Cost for developing proposals is entirely the responsibility of the Proposer and shall not be chargeable to the City.
- c. The contents of the proposal and any clarification or counter proposal thereto submitted by the successful Proposer shall become part of the contractual obligation and incorporated by reference into the ensuing Contract.
- d. It is intended that this RFP describe the requirements and response format in sufficient detail to secure comparable proposals.
- e. Pursuant to *Texas Local Government Code* Section 252.049 of V.T.C.A., proposals shall be opened so as to avoid disclosure of the contents to competing offers. Details will not be released until all ensuing negotiations have been completed and contractual agreements have been executed. To the extent provided by law, all information submitted on this RFP shall be public record.
- f. All proposals become the property of the City and will not be returned to the Proposer.
- g. By submitting a response, Proposer certifies that it is a duly qualified, capable and otherwise bondable business entity that it is not in receivership or contemplates same, and has not filed for bankruptcy.
- h. Submission of a proposal in response to this RFP shall affirm that the Proposer will not discriminate against any employee or applicant for employment because of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or whether all or part of an individual's income is derived from any public assistance program, or protected

genetic information and that the firm will make efforts to ensure that employment is offered to applicants without regard to these factors.

- i. On a monthly basis, Contractor shall invoice the City for Residential Services and Commercial Services rendered on a monthly basis (the Monthly Invoice”). Thereafter, the City shall remit to the Contractor an amount equal to the Monthly Invoice. Such remittance shall be made by the City within ten (10) business days of receipt (for the immediately preceding month’s service). The City shall solely be responsible for billing Residential Services and Commercial Services. Nothing herein shall prohibit the City from collecting sums from Customers in addition to those sums called for herein.

7.2 Proposal Withdrawal

A proposal may be modified or withdrawn by the Proposer any time prior to the time and date set for the receipt of proposals. The Proposer shall notify the City Manager, in writing, of its intentions.

If a change in the proposal is requested, the modification shall be so worded by the Proposer as to not reveal the original amount of the proposal.

Modified and withdrawn proposals may be resubmitted to the City Manager up to the time and date set for the receipt of proposals.

7.3 Late Proposals

All proposals received on time, shall be accepted. All late proposals shall be returned, upon request from the Proposer, unopened.

7.4 Signatures

All required signatures shall be manual, in ink, by an Authorized Representative of the Proposer who has legal authority to bind the Proposer in contractual obligations.

7.5 Typed or Ink Corrections

Proposals shall be typed or in ink. Erasures, interlineations or other modifications in the proposal shall be initialed in ink by an Authorized Representative of the Proposer.

7.6 Proposer Representations and Responsibilities

By submitting a proposal in response to this RFP, the Proposer represents that it has read and understands all elements of this RFP and has familiarized itself with all federal, state, and local laws, ordinances, and rules and regulations that in any manner may affect the cost, progress, or performance of the Contract Work. Proposer shall promptly notify the City of any omission, ambiguity, inconsistency, or error that they may discover upon examination of the RFP. Failure to make such examination shall be at the Proposer’s own risk. The City assumes no responsibility for Proposer’s failure to examine all documents that make up this RFP.

Proposers shall examine the City including the streets, alleys, overhead trees, wires and such other physical conditions and requirements to be encountered in the Work, the quality and quantity of the service to be performed, and materials and equipment to be furnished. The Proposer will not be entitled to additional

compensation upon subsequently finding that conditions require method or equipment other than that anticipated in making the proposal. Failure to make such examinations shall be at the Proposer's sole risk.

The failure or omission of any Proposer to receive or examine any form, instrument, addendum, or other documents or to acquaint itself with conditions existing at the site or technical details of systems to be integrated with, shall in no way relieve any Proposer from any obligations with respect to its proposal or to the Contract.

7.7 Award of Contract

The award of the Contract shall be made to the responsible Proposer whose proposal is determined to be the most advantageous to the City, taking into consideration the relative importance of price and other evaluation factors set forth herein. All proposals shall be valid for a minimum of one hundred eighty (180) days from the Proposal due date.

All proposals submitted in accordance with the requirements of this RFP shall be considered offers to Contract based on the terms contained in the proposals, this RFP, and at the price offered by the successful Proposer. When the City awards a Contract to the successful Proposer, it will constitute an acceptance of that offer and a Contract between the City and the successful Proposer shall be negotiated to include the terms of this RFP.

7.8 Reservations

The City expressly reserves the right to the following:

- a. Waive any defect, irregularity or informality in any proposal;
- b. Reject or cancel any or all proposals;
- c. Receive proposals from one or more Proposers; and/or;
- d. Procure services by other means.

In considering the proposal(s), the City reserves the right to select the Proposer who will offer contractual terms and conditions most favorable to the City.

Requirements stated in the RFP shall become part of any Contract with the successful Proposer resulting from this RFP, and any deviations from these requirements shall be specifically defined by the Proposer in the resulting proposal, request for clarification and/or counter proposal which, if accepted, shall also become part of any Contract resulting from this RFP. The City, however, reserves the right to modify the specifications of this RFP, and/or negotiate the price and any other terms with prospective Proposers, as needed.

7.9 Other Conditions

Venue: Any Contract awarded based on this RFP shall be governed by and construed in accordance with the laws of the State of Texas, is fully performable in Burnet, Texas, and venue for any action related to this Contract will be Burnet County, Texas.

The Contractor shall submit electronic reports of the required records, using software and formats approved by the City, on a monthly basis. All records shall be available to City at reasonable times and places throughout the term of any Contract resulting from this RFP and for a period of five (5) years after last or final payment.

The Contractor shall create, maintain, and deliver to the City the following records:

- a. Document Solid Waste and Bulky Waste tonnage delivered to Disposal facility;

- b. Document Recyclable Materials delivered to recyclable Processing facility;
- c. Document Bulky Waste delivered to recyclable Processing facility;
- d. Document Commercial Collection activity by container size and frequency of pickup;
- e. Identify unaccepted loads by date Collected, route, and facility;
- f. Document complaints, on a daily basis, including the address, time and date for each and the reason, and resolution;
- g. Such other documents and reports, as the City may reasonably require, to verify compliance with any Contract or to meet the City's reporting requirements;
- h. Other recordkeeping and reporting requirements as agreed upon by City and Contractor.

Contractor shall meet, at least quarterly, with the City Manager and/or City Staff to discuss any and all issues related to the Work provided for herein.

Contractor shall present to the City Council on an annual basis. Such presentation shall include, but not limited to, current and future service issues, quantities of Solid Waste and Recycling Collections, and public education.

8.10 Hours of Operation

Collections shall be scheduled by route for each day of the week. No Collections shall be made on Sundays unless the Contractor is directed to do so by the City. Residential Collections shall occur between 7:00 a.m. and 7:00 p.m. on the scheduled Collection day(s). No Commercial Collections will be made prior to 7:00 a.m. if such Collection is in a Residential neighborhood, unless otherwise approved by the City Staff. Contractor shall maintain a consistent route schedule and comply with provisions related to hours of service. Contractor shall not provide Residential Collection services one-half (1/2) hour before the beginning or one (1) hour after dismissal on a scheduled school date on streets directly adjacent to school campuses.

8.11 Holidays

Contractor may observe New Year's Day, Thanksgiving Day and Christmas Day. Contractor shall request any additionally proposed holidays to be observed each calendar year prior to October 1st of the prior calendar year for approval by the City Manager. The City Manager may require Contractor to provide Collections or not provide Collections on a holiday. Suspension of service for any holiday shall not relieve Contractor of its obligation to provide Collection service in frequencies provided for in any Contract resulting from this RFP. Should Contractor observe a holiday, Contractor shall, for the remainder of the calendar week, provide Collection services to Customers one day after their normal Collection day, including Saturday, as its catch-up day.

8.12 Performance Standards

Contractor (and its drivers, employees and agents) shall adhere to the following performance standards:

- a. Carts and trash cans (including lids) shall be replaced upright as close to their original location

as possible, without obstructing traffic or damaging landscaping. Lids will be closed after servicing;

- b. Dumpsters and Roll-off Compactors shall be replaced upright at the Customer's placement, without obstructing traffic or damaging landscape;
- c. Contractor shall not leave loose material, which during Collections may fall in the streets or property of Customers, and will Collect any loose material that is generated during the Collection operations;
- d. Contractor shall make all reasonable efforts to Collect waste and Refuse regardless of barriers (i.e. blocked streets) except when the safety and health of the Contractor's employees or the public is placed in danger;
- e. Drivers are expressly forbidden to use their emergency brake to stop a moving vehicle, except in cases of emergencies;
- f. Contractor shall comply with the Customer complaint resolution provisions of any Contract resulting from this RFP;

8.13 Customer Issues

The City shall manage current and new Customer service requests for all Residential and Commercial Customers, excluding Roll-offs, Special Collections, or as otherwise provided for herein. The City shall notify Contractor of any additions, deletions or modification in Solid Waste Services and Recycling Services within one (1) business day of the request by the Customer.

Customer Complaints.

- a. City shall manage Customer complaints, including incoming phone calls, and emails addressing concerns, and resolving issues.
- b. All Customer complaints about services shall be promptly forwarded to the Contractor and shall be given prompt and courteous attention. Contractor shall resolve all complaints within twenty-four (24) hours of receipt of such complaint.
- c. In the case of alleged missed Collection, the Contractor shall make every effort to Collect the material on the same day; but it shall be Collected within one business day after the complaint is received. Unless otherwise specified in this Contract, should the Contractor for any reason after being notified fail to make any Collections, then the City, without further notice, may cause the same to be picked up and disposed of and shall deduct or bill to the Contractor the City's cost as well as bill or deduct the Contractor's pro-rata charge or rate for providing the service.
- d. Any complaint from a Customer that is not resolved to Customer's satisfaction shall be addressed by the City and the Contractor.

8.14 Audit

The City and Contractor shall perform an annual audit to verify service levels and billing.
