**Section 13.00 Discipline Amendments**

**Note – Updated text is in red and underlined. Deleted text is stricken.**

**13.02 Progressive Discipline**

The City of Burnet intends to have a progressive discipline system but reserves the right to skip any level of discipline depending on the severity of the employee's actions. The Department Directors and Human Resources Director may follow the following system when utilizing progressive discipline:

- **Level I** - Verbal reminders, informal conference - The first step in the disciplinary procedure is for the immediate supervisor or Department Director to attempt to resolve problems by verbal reminders or an informal conference with the employee. The supervisor will make a written notation of reminders and informal conferences.
- **Level II** - Written reprimands – In the event verbal reminders and the informal conference does not resolve issues, the supervisor shall issue a written reprimand. A copy of the written reprimand will be provided to the employee, the Department Director and the Human Resources Director for inclusion in the employee's personnel file.

**The following levels of the progressive discipline steps require the approval from both the Department Director and the City Manager or the City Manager's designee.**

- **Level III** - Probation – ~~The Department Director, with the approval of the City Manager, shall place the employee on~~ **An employee may be placed on** probation for a period of time applicable to type of infraction incurred. During that time, the employee may be subject to a reduction in pay or position.
- **Level IV** - Suspension from duty without pay – ~~The Department Director with the approval of the City Manager may relieve the employee~~ **An employee may be relieved** from active duty without pay until such time as the employee is deemed able to perform the duties of the position without the previous difficulties, but in no case longer than thirty (30) days.
- **Level V** – Demotion – An employee can be demoted because of unsatisfactory performance in a higher position, for failure to maintain a required certification or license, as a result of a reclassification or restructuring of the employee's position, for a necessary restructuring of the department where the employee works, or other reasons. A demotion includes an adjustment in pay to the pay scale of the lesser position.
- **Level VI** - Separation by involuntary dismissal. In the case where an employee is unwilling or unable to correct the undesirable action that caused the problem or where the action is of a serious nature or where the employee's actions could result in injury or death to the employee or as further directed in this Employee Manual, the employee may be terminated.

Actions other than verbal reminders or written reprimands require the approval of the City Manager **or the City Manager's designee** except in the case of Fire/EMS personnel where the Medical Officer also has the authority to restrict the employee from operating under the licensure of the Medical Officer.

**The City Manager has the right to override any disciplinary action decision that may result in an adverse action against any employee.**

Where disciplinary action is accomplished by written notice to the employee involved, notice shall include a description of the reason for the action and, except in the case of dismissal, state the likely consequences of further unsatisfactory performance or conduct. Written notice of disciplinary action is recorded in the employee's personnel file.

The City may use the progressive discipline system cited. However, the severity of the discipline depends upon the nature of the infraction and one or more steps may be skipped if warranted. Employees whose actions pose an immediate threat or endangerment to himself/herself or others are subject to immediate suspension or dismissal.

Disciplinary action does not automatically or permanently disqualify an employee from consideration for future promotion, pay increases, commendations, or other beneficial personnel action.

**Should any other section of the City of Burnet personnel manual conflict with disciplinary action procedures in any part of this policy, policy 13.02 shall supersede other policies herein.**

Employees may use the Grievance Process to request relief from disciplinary actions. (See Section 15.00 of this manual)

**13.03 SUSPENSION FOLLOWING INDICTMENT**

~~If the City Manager determines that suspension is in the best interests of the City and the public, the City Manager may suspend with or without pay, an employee indicted for a Class A or B Misdemeanor or a felony, or an employee accused of official misconduct or oppression, until the indictment or information is dismissed or tried and, if tried, until the trial and appeal (if any) are completed. In the case of dismissal, acquittal, reversal on appeal or governor pardon, the City Council may exercise its power of investigative body (Home Rule Charter Section 3.16) to determine the suitability of the employee's reinstatement.~~

~~A suspended employee is entitled to reinstatement to the position held before suspension, without loss of benefits, if the indictment or information is dismissed, the employee acquitted, or the conviction reversed on appeal and, the City Manager and City Council decline an investigation. The suspension of an employee reinstated under this subsection is not a disciplinary action. An employee found unsuitable for reinstatement, regardless of the outcome of the indictment, shall be terminated.~~

**EXHIBIT D**  
**Section 15.00 Grievance Amendments**

**Note – Updated text is in red and underlined.**

**Section 15.00 GRIEVANCES** (Revised 12-8-2020 Resolution 2020-58)  
**15.01 POLICY**

It is the policy of the City of Burnet insofar as possible to prevent the occurrence of grievances and to deal promptly with those that occur. In order to achieve this objective, it is imperative that employees report grievances in a timely manner. No adverse action will be taken against an employee for reason of his/her exercise of the grievance right.

Definition of Grievance. Employee complaints of inconsistent and/or unlawful treatment, interpretation, application or violation of City or departmental policies, procedures, or practices; and retaliation.

**15.02 PROCEDURE**

Employees are encouraged to attempt to resolve a grievance by informal conference with his/her immediate supervisor. If the informal conference with the supervisor does not result in a resolution of the problem(s), that is satisfactory to the employee, (s)he may file a formal grievance. Formal grievances must be in writing, signed by the employee, and presented to the Director of Human Resources. A grievance should include:

- The nature of the grievance.
- Detailed information including evidence of the issue, witnesses, alleged policy violations (if applicable), etc.
- The remedy or outcome desired.

After being presented with a written, signed grievance, the Director of Human Resources shall forward to the appropriate supervisor, Department Director, the City Manager **or the City Manager's designee**. The supervisor's, Department Director's, City Manager's **or designee's** response may include a denial, or grant the appeal, a modification of the discipline, or schedule further review or action.

An employee who is not satisfied with the proposed resolution, may within the next ten (10) working days appeal in writing to the next person in the chain of command. The decision of a supervisor may be appealed to the Department Director and the decision of the Department Director may be appealed to the City Manager **or City Manager's designee**. The City Manager's decision shall be final.

Failure to meet established time limits (i.e. grievance not timely filed or appealed) will not affect the validity of a grievance upon showing good cause or extenuating circumstances for the delay, or when the City Manager deems it to be in the best interest of the City.
