### Agenda Item

**Meeting Date:** August 5, 2024

**Agenda Item:** AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BURNET, TEXAS, AMENDING ORDINANCE NO. 2012-09 AND THE OFFICIAL FUTURE LAND USE MAP OF THE CITY OF BURNET BY ASSIGNING THE PROPERTY KNOWN AS 104 COUNTY ROAD 108 FROM ITS PRESENT DESIGNATION OF RESIDENTIAL TO A DESIGNATION OF COMMERCIAL; PROVIDING A REPEALER CLAUSE; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE: L. Kimbler

**Background:** The subject property is located along County Road 108 just west of North Water Street. The current Future Land Use for this property is residential. The property was rezoned from Single-family Residential – District “R-1” to a designation of Neighborhood Commercial - District “NC” in September of 2023. The FLUM was not required to be amended at that time because District “NC” still allows for residential use of the property.

**Information:** The applicant is requesting to amend the Future Land Use Map to Commercial to be able to consider a rezone of the property from District “NC” to District “C-1” with a CUP for an assisted living facility. The requested Future Land Use amendment must be approved before the zoning change request can be approved (next item on the agenda). The property is just shy of one acre and is currently developed with a single-family residential structure.

**Staff Analysis:** This property gains access from County Road 108 just west of the highway intersection with a stop light. It abuts the back of residential properties but is not located within a residential neighborhood. When considering future development patterns, commercial development in the area is anticipated; therefore, amending the FLUM to commercial for this property would appear to be consistent with long term development patterns.

**Public Notice:** Notices were mailed to 14 surrounding property owners within 200’ of the subject property and staff has received no comments in opposition to the proposed amendment to the City’s Future Land Use Plan.

**Recommendation:** Open the public hearing. At the conclusion of the public hearing, discuss and consider first reading of the draft ordinance.

### Public Hearing and Action

**Meeting Date:** August 5, 2024

**Agenda Item:** AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BURNET, TEXAS, AMENDING ORDINANCE NO. 2021-01 AND THE OFFICIAL ZONING MAP OF THE CITY OF BURNET BY REZONING PROPERTY KNOWN AS 104 COUNTY ROAD 108 FROM ITS PRESENT DESIGNATION OF NEIGHBORHOOD COMMERCIAL – DISTRICT “NC” TO A DESIGNATION OF LIGHT COMMERCIAL – DISTRICT “C-1” WITH A CONDITIONAL USE PERMIT TO ALLOW “ASSISTED RETIREMENT LIVING”; PROVIDING A REPEALER CLAUSE; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE: L. Kimbler

**Background:** Located along County Road 108, just west of North Water Steet, the subject property was recently rezoned to Neighborhood Commercial – District “NC” in September of 2023. The applicant is requesting to rezone the property to Light Commercial – District “C-1” with a Conditional Use Permit to allow for the development of an assisted retirement facility. The property is developed with a single-family residential structure and a large asphalt parking area with carport and garage.

**Information:** Code of Ordinances, Section 118-5 defines “Assisted Retirement Living” as a facility which provides 24-hour supervision and assisted living for more than 15 residents not requiring regular ongoing medical attention. The applicant is proposing to remodel the existing single-family residential structure into a 16-bed senior living facility.

The Conditional Use Permit approval process is established by Code of Ordinances Sec. 118-64; Subsection (e). Per the cited section in making its recommendation the Commission should consider the following:

- § **Appearance, size, density and operating characteristics are compatible with surrounding neighborhood and uses;**

- § Proposed use will not adversely affect value of surrounding properties nor impede their proper development;
- § Proposed use will not create a nuisance factor nor otherwise interfere with a neighbor's enjoyment of property or operation of business;
- § Traffic generated on existing streets will not create nor add significantly to congestion, safety hazards, or parking problems, and will not disturb peace and quiet of neighborhood;
- § Comply with other applicable ordinances and regulations.

**Staff Analysis:** Staff has reviewed the criteria in Sec. 118-64(e) and have made the following observations:

- The applicant proposes to continue to utilize the existing structure and the property in its current state. Renovations will be minor and only to the interior of the building. The appearance and size of the property will continue to be compatible with surrounding properties.
- The property is not located within a residential subdivision and is the only developed property along this section of County Road 108. The senior living facility would provide a buffer between heavier commercial uses, along the highway, and any future residential developments in the area.
- A senior living facility would have low impact on any surrounding properties as the characteristics of the property will remain the same. The proposed use should not create a nuisance nor interfere with neighboring properties enjoyment.
- This property is located in an area with high traffic; since most of the abutting properties are undeveloped, any additional traffic generated by staff or guests would not create congestion or parking problems.

**Public Notification:** Written notices were mailed to 14 surrounding property owners within 200 feet of the subject property. There have been zero responses in favor and zero responses in opposition.

**Recommendation:** Open the public hearing. At the conclusion of the public hearing, discuss and consider the first reading of the draft ordinance.

## Exhibit B – Applicant’s Request

City of Burnet  
Development Services Department  
1001 Buchanan Drive, Suite 4  
Burnet, TX 78611

June 14, 2024

To whom it may concern,

I, Darrell Sargent, as applicant on the City of Burnet Zoning Change Application executed on June 11, 2024, along with property owner, DJW Burnet, LTD. (the “Owner”), are submitting this request to allow the Owner of the property located at 104 County Road 108, Burnet, TX 78611, being further described on documents included herewith, to be re-zoned as C-1 (with a C.U.P.) to allow for a luxury senior living house to operate.

Currently, the property could be used to operate a senior living facility with up to eight (8) beds. We are currently under contract to sell the property to a highly respected senior living facility operator, who needs the property to be able to operate with sixteen (16) beds. This property is prime for this usage, and we feel that it will greatly benefit this area.

The Owner does not believe that the proposed change would have any negative effect or impact on the surrounding properties, as we the property is not immediately surrounded by any other homeowners, except to the immediate South, which is currently blocked by a fence. This re-zoning would not significantly change the exterior of the property, nor devalue any surrounding properties.

We would like to thank you for your time concerning this matter and would like to extend our availability or our attorney’s, Tyler Rockafellow, time should you have any further questions or concerns with this matter moving forward.

Sincerely,

*Darrell Sargent*

### Agenda Item

**Meeting Date:** August 5, 2024

**Agenda Item:** AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BURNET, TEXAS, AMENDING ORDINANCE NO. 2021-01 AND THE OFFICIAL ZONING MAP OF THE CITY BY REZONING PROPERTY LOCATED AT THE NORTH CORNER OF COUNTY ROAD 108 AND NORTH WATER STREET FROM ITS CURRENT DESIGNATION OF AGRICULTURE – DISTRICT “A” TO A DESIGNATION OF LIGHT COMMERCIAL – DISTRICT “C-1” WITH A CONDITIONAL USE PERMIT TO ALLOW “GASOLINE SALES AND ALCOHOL SALES” AND A CONDITIONAL USE PERMIT TO ALLOW FOR “PACKAGED LIQUOR STORE FOR OFF PREMISE CONSUMPTION SALES”; PROVIDING A REPEALER CLAUSE; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE: L. Kimbler

**Background:** Located at the intersection of County Road 108 and North Water Steet, the subject property is an undeveloped 5.8 acre tract. The applicant is requesting to rezone the property to Light Commercial – District “C-1” with a Conditional Use Permit to allow for the development of a convenience store with gasoline and alcohol sales. This building will have an additional suite to be utilized as a packaged liquor store. The property does have water but will need to work with the city engineer to appropriately address wastewater.

**Information:** Code of Ordinances, Section 118-45(4) lists “Convenience Store” as an allowable use in district “C-1”; however, gasoline and/or alcohol sales are only allowed with the approval of a Conditional Use Permit. Additionally, the use “Packaged Liquor Store for Off-Premise Consumption Sales” is only allowed in Medium Commercial – District “C-2” zones which require a Conditional Use Permit to operate in the “C-1” district. These are two separate Conditional Use Permits that the applicant must acquire to operate both businesses.

The Conditional Use Permit approval process is established by Code of Ordinances Sec. 118-64; Subsection (e). Per the cited section in making its recommendation the Commission should consider the following:

- § **Appearance, size, density and operating characteristics are compatible with surrounding neighborhood and uses;**
- § **Proposed use will not adversely affect value of surrounding properties nor impede their proper development;**
- § **Proposed use will not create a nuisance factor nor otherwise interfere with a neighbor's enjoyment of property or operation of business;**
- § **Traffic generated on existing streets will not create nor add significantly to congestion, safety hazards, or parking problems, and will not disturb peace and quiet of neighborhood;**
- § **Comply with other applicable ordinances and regulations.**

**Staff Analysis:** Staff has reviewed the criteria in Sec. 118-64(e) and have made the following observations:

- The only developed property, within the surrounding area, is a single-family home which has been utilized for commercial purposes and is proposed to be continued to be utilized for commercial use. There is a residential subdivision across the highway from the subject property; however, the undeveloped property in front of the subdivision is already zoned commercial and will likely develop with commercial use in the future. The commercial use of this property would be compatible with the future development of surrounding properties. The request for the Conditional Use Permit for gasoline and/or alcohol sales, as well as the request for the packaged liquor store may be an appropriate request due to the lack of other development in the area.
- The proposed use would not adversely affect value of surrounding properties or impede their proper development. Being this is the first commercial development this far north of town, it may increase surrounding property values and encourage further commercial development in this area.
- Most of the properties directly surrounding the subject property are currently undeveloped; therefore, it should not interfere with those neighboring properties enjoyment or operation of business.
- Any commercial development in this area is going to increase traffic; however, this property is located at an intersection with a stop light. This would be the most ideal location for commercial property that may increase traffic.

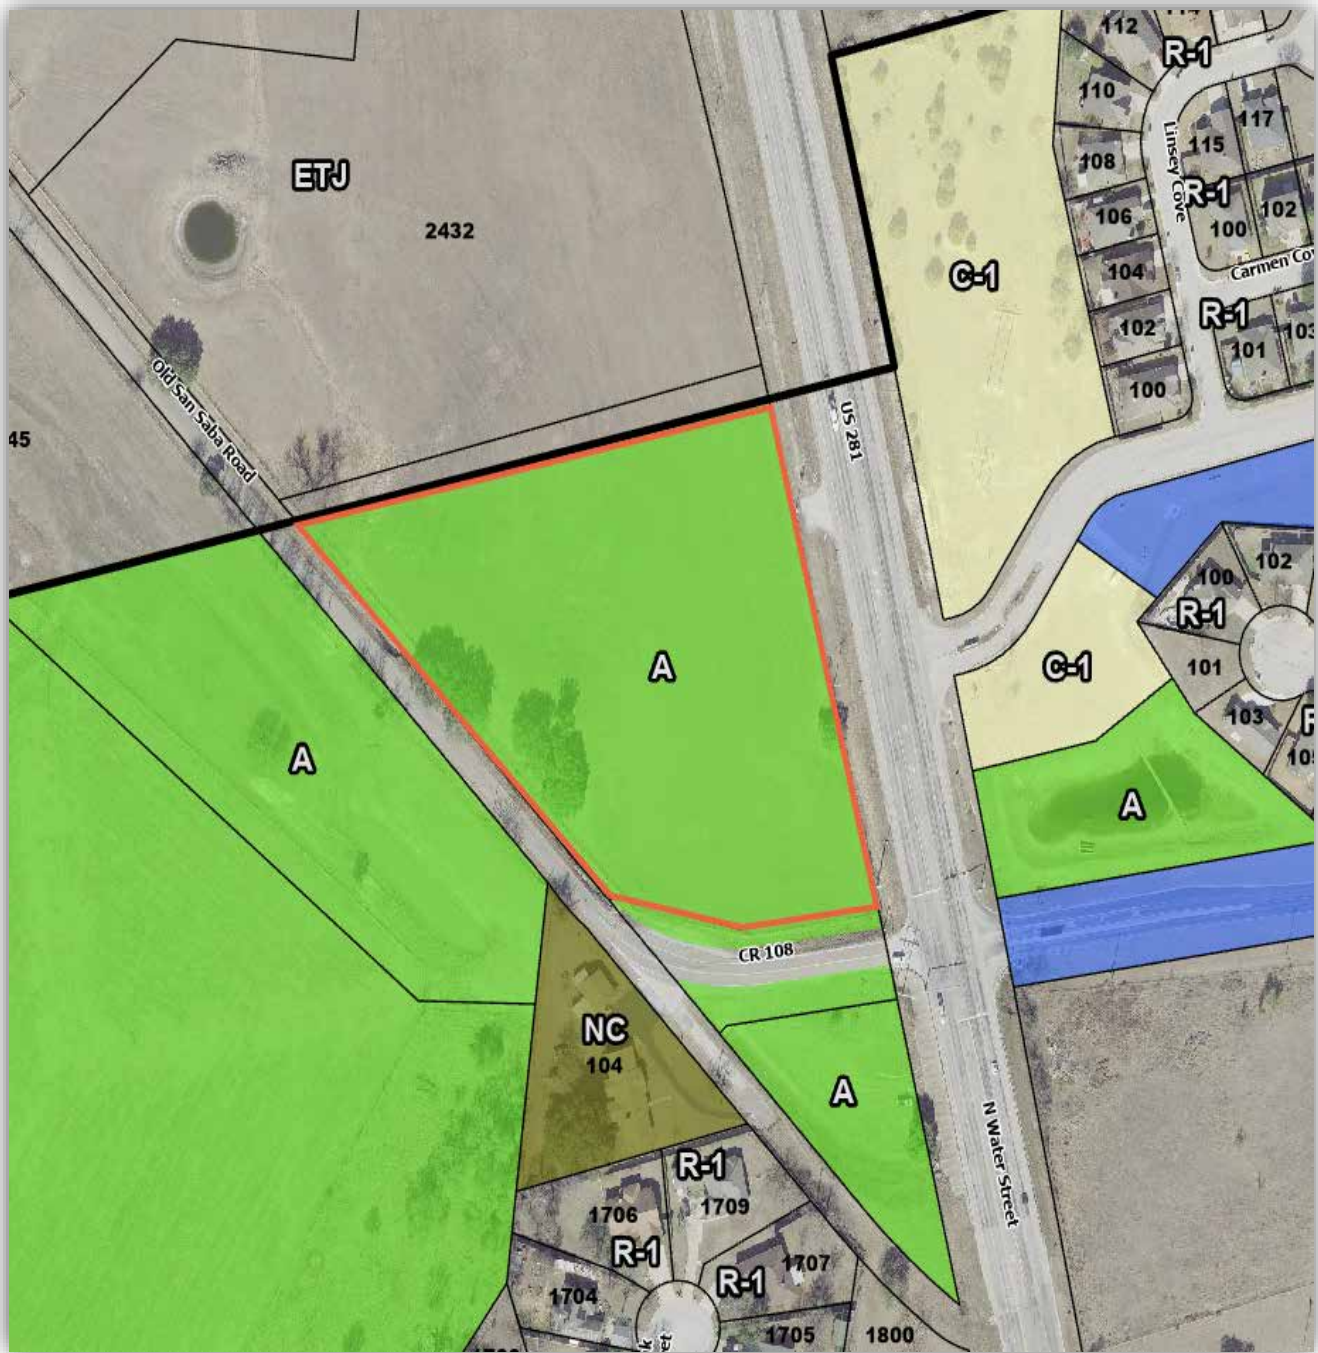

The stop light will help with traffic control as well as provide a safer route for patrons and large trucks to enter and exit the highway.

**Public Notification:** Written notices were mailed to 6 surrounding property owners within 200 feet of the subject property. There have been zero responses in favor and zero responses in opposition.

**Recommendation:** Open the public hearing. At the conclusion of the public hearing, discuss and consider the first reading of the draft ordinance.

Kimbler

**Background:** The subject property is the entire block located between West Kerr Street, West Johnson Street, North Water Street and North West Street. The property is currently developed with a small residential house, a barn and a commercial building which was most recently used as a restaurant. The property is three separate lots; two of the lots are zoned Medium Commercial – District “C-2” and the remaining lot is Single-family Residential – District “R-1”. The applicant is proposing to develop a convenience store and is requesting the zoning of Light Commercial - District “C-1” with a Conditional Use Permit to allow for “gasoline and/or alcohol sales”.

**Information:** Code of Ordinances, Section 118-45(4) lists “Convenience Store” as an allowable use in district “C-1”; however, gasoline and/or alcohol sales are only allowed with the approval of a Conditional Use Permit.

**Staff Analysis:**

Staff has reviewed the criteria in Sec. 118-64(e) and have made the following observations:

- Properties surrounding the subject property are a mix of light commercial uses, residential use, and future parkland use. Surrounding properties zoned commercial are either offices or businesses that have very low impact on surrounding properties; these businesses generally operate within the building, during daytime business hours. The proposed use for consideration would be a larger building, with more outdoor use, higher traffic volume, and operate in the early morning hours and later evening hours.
- Commercial development has different effects on the value and development of surrounding properties. For some properties, this may have a positive effect by encouraging more development in the area; therefore, raising the commercial value of the property. For other properties, it may have an adverse effect. The noise and traffic generated by the proposed use may have negative impacts on the desirability of the residential properties and discourage further residential development.
- The submitted concept plan shows outdoor use and vehicular traffic at the business being conducted in the front of the building along the highway frontage. This would create a buffer for some of the residential properties, behind the subject property, helping with some of the increased light and noise generated by the proposed use. However, a previous concept plan did show diesel pumps, for large trucks, at the rear of the property behind the building. This could create a nuisance for surrounding residential properties.
- The property was utilized as commercial property in the past; similar light commercial uses of the property should not significantly increase current traffic patterns. However,

allowing the sale of gasoline at this subject property would create a higher traffic volume. The final site design will determine just how much this could affect the peace and quiet of the surrounding neighborhood. Additionally, if pumps are installed for the large trucks, this could be seen as a traffic hazard with large trucks entering and exiting the highway.

**Public Notification:** Written notices were mailed to 14 surrounding property owners within 200 feet of the subject property. Staff have received one letter in opposition to the proposed request.

**Recommendation:** Open the public hearing. At the conclusion of the public hearing, discuss and consider the first reading of the draft ordinance.

## Letter of Opposition

---

Honorable Chairperson and Members of the Planning & Zoning Commission

My name is Bettye Foulds and I reside at 402 N West Street, and I am opposed to the request for zoning change at 402 and 404 N Water Street (HWY 281N).

I only became aware of this when I received the letter from the city on July 26, 2024, which was 5 working days prior to this meeting so my reasons for this request may not be complete.

The City of Burnet has purchased property at 400 N West Street for a park as it is adjacent to and easily accessible to Haley-Nelson Park and the Hamilton Creek-Walk Park. I am in total agreement with this. A portion of this property is directly across the street from 400 and 402 N Water. According to the small amount of information I have received, this would place the park directly across the street from a truck/gas terminal. This is highly undesirable.

My property extends from 402 N West Street to 500 Blackburn Lane, approximately 3 acres. This would also put the truck/gas terminal directly across from my home.

Imagine the impact the noise, lighting, traffic, etc. would have on my home and me. West Johnson and West Kerr streets are not wide streets and there is traffic on them from vehicles leaving Starbucks and McDonalds. I know this because trash is discarded along the road from various fast food restaurants. The people are using N West, West Johnson, and West Kerr to access 281. Also, people use N West from 29 to miss the intersection of 29 and 281 to access 281N

If the proposed business requires entrance and exits on 281 this would cause congestion with traffic as large trucks would be delivering supplies and gasoline to the store, as well as a truck stop. There is already a convenience store with gas 1/2 block away from this site and there are traffic delays there on occasion and frequently on school days when buses are running the traffic is backed up to Kerr.

There is always some loitering around truck terminals as some people wish to use the facilities and ask customers for money. Our great police department does not need one more place of this sort to monitor.

Safety is also an issue for me. I have several security means in place, but we know this is not totally foolproof. My property value would be diminished, and this concerns me very much. I humbly ask you to deny this change.

Thank you for listening to me and reading my objections.
